

7. I understand that in order to purchase a discounted ticket, I must show my Androscoggin Valley Chamber of Commerce Ski Pass at the ticket office each day I wish to ski. I also understand that I may be asked by the ticket seller to provide my driver's license or other photo ID as additional identification.
8. I understand that neither my pass nor my daily ticket is transferable. Any misuse of my pass or my daily ticket will cause my pass to be revoked without refund and restitution will be demanded. Furthermore, I understand that if I were to transfer either my pass or my daily ticket to another person, I would be subject to prosecution in accordance with New Hampshire statute RSA-637 "Theft of Services".
9. If my pass is lost or stolen, I understand that I must report it immediately to the Androscoggin Valley Chamber of Commerce office and that I must pay a fee of \$5.00 to replace it.
10. I understand and accept that skiing and/or boarding is a hazardous sport with many dangers and risks and injuries are a common and ordinary occurrence of the sport. I understand that trails and surface conditions vary and will change with skier or boarder use, weather changes and other factors resulting in bare spots, variations in snow, ice and terrain along with bumps, ruts, and moguls. Other hazards are in and adjacent to trails. I specifically agree that before I ski or board, I will, if I so desire, inspect the area involved, investigating for hazards. If I choose to ski or board, it is with the realization that numerous hazards exist, some of which are obvious and some of which are not. I agree, as a condition of being permitted to use participating ski areas' facilities and premises that I freely accept and voluntarily assume responsibility for knowing the range of my skiing or boarding ability. Further, I accept for myself and voluntarily assume all responsibility for all risks of injury, death, or property damage that might result from skiing, boarding, or other activities at participating ski areas.
11. Any disputes concerning the use of this season pass or arising out of any personal injury or death related to my skiing at the participating ski area, shall be resolved exclusively within the courts of New Hampshire, and the State of New Hampshire laws shall apply.
12. I understand that this pass is valid through the end of skiing season at participating ski areas through the spring of 2010.
